

Myrio Brings In Partners

Myrio launched a partner program designed to provide, develop and test new video applications. The Video Partner Alliance partners ranges from Integrated Partners to Private Label Partners. Among those already signed on to the program are some of the biggest access vendors including AFC, Allied Telesyn, BigBand Networks, Ciena, Calix ECI, Entrisphere, Lucent Technologies, NeoNova Networks, Occam Networks, Optical Solutions, Pannaway, Tandberg Television, Tut Systems and Wave 7.
